Dear ActBlue South Dakota PAC,

Per email exchanges between ActBlue and the Secretary of State's office we have concluded that ActBlue South Dakota PAC is not a PAC per SD Codified Law. It is instead a business that offers a service of processing donations to committees in South Dakota.

As a result, we will be terminating your committee.

We've agreed, ActBlue will direct the committees they collect contributions for to list contributions from the individual that contributed and not as if the contribution is coming from ActBlue. This recommendation will begin as of January 1, 2018. The Secretary of State's office will also work with committees to make sure they are recording the contributions correctly.

Thank you.
