List any additional comments or explanations, below, regarding entries within this report:

After filing the Pre-General Report, we discovered that Unitemized Direct Contributions from Individuals received during the Pre-General reporting period were not aggregated with contributions received during the Pre-Primary reporting period. This amendment increases the calendar year aggregate calculations for the Pre-General Itemized Direct Contributions from Individuals and decreases the Unitemized Direct Contributions from Individuals. It does not change the cash on hand. This amendment is submitted pursuant to SDCL 12-27-27 requiring corrections to previously submitted reports within 7 days of knowledge of the same.
