Re: *Amendment to Calendar Year 2017 Report*

Dear Secretary of State:

As referenced in statements made in prior filings with your office, nearly a year ago I asked for a third party professional to review all income and expenditures of the Committee. I have now received a portion of that report from Nelson & Nelson CPAs LLP, with technical amendments prepared by Nelson & Nelson and based on their review of all of the records and reports filed with your office.

I am submitting the enclosure to your office for filing with the Committee records, and will file amendments for Committee reports filed in the 2018 calendar year when I have the final documentation from the independent review.

Feel free to contact me with questions or concerns.

Sincerely,

Ted Hustead, Treasurer

RE: Recommended changes to the Secretary of State 2017 Campaign Finance Disclosure Report

Dear Mr. Hustead:

At the request of the Kristi for Governor campaign ("the Committee"), we have examined the campaign contributions (including more than 7,000 donation transactions), the Committee database, accounting records, and the correlating expenses for the periods reported on the Secretary of State Campaign Finance Disclosure Reports filed in 2017 and 2018.

Although we have not completed our review of 2018, we have finalized our recommendations regarding 2017. The changes we recommend are based on our independent examination of the committee records and with this letter we bring those matters to your attention in compliance with SDCL 12-27-27.

In making these recommendations, it is important to understand that any financial report is a snapshot of a moment in time, and some of the corrections or additions recommended herein refine that financial snapshot.

Schedule A: Amended 2017 Year End Campaign Finance Report

Schedule B-1: Itemized Donor Amendments

Schedule B-2: Out of State or Federal PAC Amendments

Schedule B-3: Candidate Committee Amendments

Schedule B-4: Donated Goods and Service Amendments

In particular, we note that many transactions for donated goods and services (often called "in-kind donations") were originally reported as cash contributions on the Secretary of State report. This means that while the donor names, addresses and amounts were publicly disclosed on reports filed with the Secretary of State, the entry as a cash transaction incorrectly added to the ending report cash balance of the Committee.

We expect to complete our review of the Campaign Finance Disclosure Reports filed in 2018 prior to the end of this month, and will forward our recommendations to you when that is finalized.

Please let us know should you have any questions or concerns.
